## **SOLVED WORKSHEET**

1. Arrange the following steps in the correct flow for programming.

## **SESSION 1**

## **Introduction to PictoBlox**

	) Testing and debugging the	program c) V	Writing the program
	) Planning the program	, <u>)</u>	2.0
Ansv	ver: (i) <u>b</u> (ii) <u>c</u>	(III) <u>a</u>	3 Points
	he <b>Blocks</b> are where the sprite ) True	e moves, draws, and interacts w b) F	vith other sprites and/or hardware. False
Ansv	ver:b		1 Point
t	ouches the edge of the stage:		of the moving sprite, as soon as the sprite
а		c)	move 10 steps
b	if on edge, bounce	d)	forever
Ansv	ver: <u>    a    </u>		2 Points
		e PictoBlox part with its approp	2 Points priate usage, by drawing matching lines:
		e PictoBlox part with its approp Usage	
	//atch the following- Match th	Usage	
4. N	Natch the following- Match the PictoBlox Part	Usage A program or a code in PictoB	oriate usage, by drawing matching lines:
4. N	PictoBlox Part Stage a)	Usage A program or a code in PictoB together. The backdrop/background for	oriate usage, by drawing matching lines:
4. N (i)	PictoBlox Part Stage a)  Sprite b)	Usage A program or a code in PictoB together. The backdrop/background for	criate usage, by drawing matching lines: blox/Scratch, that is built by fitting blocks ryour projects. erforms different actions in the project.
4. N (i) (ii) (iii) (iv)	PictoBlox Part Stage a)  Sprite b) Blocks c)	Usage A program or a code in PictoB together. The backdrop/background for An object or character that per Jigsaw puzzle pieces, that fit in	criate usage, by drawing matching lines: blox/Scratch, that is built by fitting blocks ryour projects. erforms different actions in the project.
4. N (i) (ii) (iii) (iv) Ansv	Aatch the following- Match the PictoBlox Part Stage a)  Sprite b) Blocks c) Script d)  Ver: (i) b (ii) c	Usage A program or a code in PictoB together. The backdrop/background for An object or character that per Jigsaw puzzle pieces, that fit is (iii)d (iv)a u write the scripts.	briate usage, by drawing matching lines:  blox/Scratch, that is built by fitting blocks  your projects.  berforms different actions in the project.  Into each other.  2 Points
4. N (i) (ii) (iii) (iv) Ansv 5	Alatch the following- Match the PictoBlox Part  Stage a)  Sprite b)  Blocks c)  Script d)  ver: (i) b (ii) c	Usage A program or a code in PictoB together. The backdrop/background for An object or character that per Jigsaw puzzle pieces, that fit is (iii)d (iv)a u write the scripts.	briate usage, by drawing matching lines: blox/Scratch, that is built by fitting blocks r your projects. berforms different actions in the project. into each other.
